

**Remember to start with general questions about the picture**

- + What do you think this is?
- + Have you seen anything like this before?
- + Would you like to live in the flats?
- + Would you walk across it?

*Llygaid Mathemateg*

**Put your “Llygaid Mathemateg” on. What do you see now?**

- + How many windows can you see?
- + How many storeys high are the flats?
- + How many wires can you see supporting the bridge?
- + Some of the windows in the first block of flats are hidden.  
How could you use counting in twos to help you know how many window there are?
- + How many windows long are the balconies on the first block of flats
- + How long do you think it would take you to climb the stairs to the top of the flats?
- + What words can you use to describe the weather in the picture? Do you think it is warmer or cooler than today?
- + What shapes can you see in the picture?
- + Can you see any lines of symmetry in the picture?

**Find out more about the Llygaid Mathemateg concept**
