

Remember to start with general questions about the picture

- ✚ What do you think this is?
- ✚ Where might you find it?
- ✚ What do you think it is made out of?
- ✚ Would you like to live in the flats?
- ✚ Have you seen any other similar structures?

Put your “Llygaid Mathemateg” on. What do you see now?

Llygaid Mathemateg

- ✚ Can you see an odd or even number of windows in the first block of flats?
- ✚ How many balconies can you see?
- ✚ What can you tell me about the relationship between the windows and balconies in the first block of flats?
- ✚ How many right angles can you find?
- ✚ Can you find any acute, obtuse or reflex angles?
- ✚ Can you see any parallel lines?
- ✚ Can you find any perpendicular lines?
- ✚ What unit would you use to measure the length of the bridge?
- ✚ What unit would you use to measure the height of a window?
- ✚ Do you think the windows in the first block of flats are the same size as the windows in the second block of flats?
